Sir,

In submitting herewith the records relating to the appeal of the Archaks of Sri Someswaraswami temple in the Palace Inam village of Sogala in the Chennapatna Taluk in the matter of the lease of the temple Inam lands long in their enjoyment, I have the honor to state that this temple enjoys Devadaya lands of an extent of A-G 37-33 in the Inam village as noted in the*margin.

In June 1924, the Amildar reported that the temple was in a neglected condition and derived no benefit from the vast extent of Inam lands the annual yield from which was estimated at Rs.500/- at the lowest and recommended the resumption of the Inam lands with a view to lease them out for a period of 3 or 5 years so that sufficient funds may accumulate for the repairs of the building. The Sub Division Officer approved the same and ordered lease for 3 years. On 31st December 1924 the same Amildar reported that no one would take up the lease and that the Inam lands may be left in the possession of the Archaks who undertook to do the needful repairs to the institution and on condition of their paying Rs.100/- annually towards Reserve. The Deputy Commissioner approved this proposal in his order of March 1925. The Amildar again in his report of 19-6-26 stated that the Archaks did not turn up and execute the Muchalika agreeing to pay the Reserve fixed and therefore the Inam lands might be leased out by auction.

This

This was approved by the Sub Division Officer and the lease was taken up by one Roshum miya of Chennapatna for Rs.195/-, the low bid being attributed to the machinations of the Archaks. The Archaks having come up in appeal to this office against the sale of the lease, a report was called for. In sending up the records the Amildar in his report of 11th February 1927 has proposed that the possession of the Inam lands in the hands of the Archaks should be disturbed for at least a year, by sale of the lease so that the alleged alienation of the lands by mortgage etc., by the Archaks may be extinguished. Both the Sub Division Officer and the Deputy Commissioner are in favour of leasing out the lands. A copy of the Deputy Commissioner's latest communication is herein enclosed.

It is not possible to give the lands to the Archaks and any condition that they should pay a certain amount towards the reserve may be difficult to enforce. The lands being in the Sogala village are very valuable. Their position and the conditions in the --- locality are such that a larger income can be derived by selling the lands and depositing the money in a profitable manner, instead of leasing them out even for long periods. The Archaks may be paid a monthly remuneration.

I solicit the favour of early orders of Government in the matter, authorizing the sale of the lands in public auction. The lands are likely to fetch some 8 or 10 thousand rupees and the interest thereon will be far greater than any income we are now able to secure. The amount realised by sale will be invested and treated as an endowment of the institution.

I have the honor to be,

Sir,

Your most obedient servant,

M. Thomas Rly
Asst Commissioner
for Muzrai Commissioner.

Letter No.C3/2004/26-27 dated 28th December 1927 ~~from the Deputy Commissioner 1927~~ from the Deputy Commissioner Bangalore District, to the Muzrai Commissioner in Mysore.

"With reference to your appeal No.7/26-27 and in continuation of this office No.C3-2004/26-27 dated 5th instant, regarding the lease of Inam lands endowed to the Sri Someswaraswamy temple at Sogala village in the Chennapatna Taluk, I have the honor to enclose herewith the -- correspondence ending with Sub Division Officer's report No.H.3-663/ 26-27 dated 14th December 1927 recommending that the Inam lands may be leased out by auction, and a scale of expenditure prepared after the income is definitely ascertained.

It is reported that the lands are being enjoyed by tenants from a long time but that alienation cannot be satisfactorily established in the absence of registered documents and the Amildar suggests that the lease of the lands to third parties would help in ascertaining the exact position of the tenants and would also bring in income

I agree with this view and suggest that the lands may be taken back from the Archaks and the right of lease sold out.

The

The date on which the payment of a sum of Rs.100/- was order is 13th March 1925 vide page 24/2 in the vernacular file."
